And we've been perfecting THAT PROMISE EVER SINCE.

Enduring legacy. Unparalleled performance. Timeless design. Whatever has lead you to Dacor, know that every 21st century creative tool we produce is backed by more than just our industry-best warranty and elite service program. Every Dacor product is supported by over 50 years of innovation heritage. The first-ever downdraft ventilation. The 30" pure convection wall oven. With inventive materials, leading-edge technologies, and boundary pushing product design all paired with an artisan’s touch, Dacor innovations have revolutionized the modern kitchen. When you bring a Dacor appliance into your home, you're not just adding progressive style and the most intuitive technology to your kitchen. You're joining in an inspired lineage of chefs, architects, and designers who have boldly reimagined the way we live and entertain.
